CAUTION

Justin Franchi Solondz is wanted on multiple charges related to his alleged role in a domestic terrorism cell. On May 21, 2001, the University of Washington, Center for Urban Horticulture, in Seattle, Washington, was destroyed by fire during the early morning hours. At the same time, in Clatskanie, Oregon, several buildings and vehicles were also destroyed by fire. Fire investigators determined that both fires were the result of arson by use of timed improvised incendiary devices. Shortly thereafter, a communication was released stating that both fires were committed by members of the Earth Liberation Front (ELF). The combined loss from these two arsons totaled over five million dollars.

On October 15, 2001, an arson and attempted animal release took place at the Litchfield Wild Horse and Burro Corral in Susanville, California. Investigators found multiple improvised incendiary devices at the crime scene. This arson was claimed to have been committed by the Animal Liberation Front (ALF). The damages from this arson were estimated to be eighty five thousand dollars.

On April 6, 2006, and May 17, 2006, federal grand juries in Sacramento, California, and Seattle, Washington (respectively) indicted Solondz on the following domestic terrorism related charges: Conspiracy to Commit Arson; Arson of a Government Building; Arson of Property Used in Interstate Commerce; Use and Carrying of a Destructive Device During and in Relation to a Crime of Violence; and Making Unregistered Destructive Devices.
